

Non-uniform or MUFTI day

At school we usually wear our school uniform.

When we wear our school uniform, we all have similar clothes and look smart.

Sometimes, we have special days and we can wear our normal clothes

(not school uniform).

It is fun to go to school in different clothes.

This may be to raise money for a charity or on a special occasion such as

World Book Day.

My school adults and parents or carers will help me prepare for non-uniform

days by using a calendar to help me see when the day is.

My parents or carers can help me

choose

what to wear on a

non-uniform day.

When it is a non-uniform day, I will look forward to

seeing

what other

children

will be wearing.

On non-uniform day, it is

OK

not to wear school uniform.

My school adults,

parents, carers and

friends

will be

proud

of me for wearing my

non-uniform clothes.

The next non-uniform day will be on

It is a non-uniform day because.....
